

THE 1st INTERNATIONAL CONFERENCE ON MARITIME LAW

„MODERN CHALLENGES OF MARINE NAVIGATION“

ICML Split – Croatia, 29-30 September 2016

Distinguished Ladies and Gentlemen, dear colleagues,

We are happy to announce the 2nd call for the 1st INTERNATIONAL CONFERENCE ON MARITIME LAW - *MODERN CHALLENGES OF MARINE NAVIGATION*. Conference aims to bring together leading academic scientists, researchers, research scholars and practitioners to exchange and share their experiences and research results about all aspects of Maritime Law.

All honourable authors are kindly encouraged to contribute to and help shape the conference through submissions of their research abstracts and papers and are cordially invited for presentation at the conference. All the conference papers will be published in conference proceedings book.

We strongly believe that high level speakers, session chairmen, conference panelists and audience will contribute to the quality of this conference with knowledge transfer, exchange of visions, experience and stimulating discussions and produce a wonderful environment for brainstorming, sharing and improving knowledge and intelligence.
